

## Verwood Town FC Youth raise £1,000 for British Heart Foundation

Through their fundraising efforts, the Verwood Town FC Youth Under 11 Team have raised £1,000 for the British Heart Foundation.

The club expresses huge thanks to their Under 11 team and to the coaches and parents that made this happen. It also recognises once again the amazing work of volunteers and families that support the club, it's youth teams and charity organisations.

In this instance, the fundraising efforts raised monies both for team kit for the season, and "The British Heart Foundation".

The club also recognises and values the additional support and voluntary effort provided by "Adwear Clothing" who printed shirts, and "Jade Home Care"s donation, without which this wouldn't have been possible.

**Verwood Town FC** are an FA Charter Standard Club affiliated to the Dorset County Football Association with Adult and Youth Teams serving Verwood and the surrounding areas
