

VERWOOD TOWN F.C.

VERWOOD TOWN FC – YOUR CHANCE TO GET INVOLVED

Verwood Town FC, members of the Wessex Premier League, are delighted to offer the opportunity for you to get involved with this rapidly progressing club as Kit Manager.

The forward thinking club have risen rapidly up the non-league football pyramid and you could become part of the enthusiastic team behind ‘The Potters’.

The Kit Managers’ duties will include ensuring that the kit for the first team is collected and laundered after every match and returned ready for the next game, with all costs being met. If the individual would also like to get involved with our overall Kit and equipment management this would be welcomed but is not essential.

If you would like to be involved with your local club, please call 07896 627060.
